### Jerusalem

Filmed for the first time in IMAX 15/70 for the Giant Screen, JERUSALEM immerses audiences in one of the world's most beloved cities. Discover why this tiny piece of land is sacred to three major religions through the stories of Jewish, Christian and Muslim families who call Jerusalem home.

### Flight of the Butterflies 3D

Flight of the Butterflies 3D is an interconnected scientific adventure story that spans not only thousands of miles but generations. It's about the remarkable monarch butterfly migration, the most incredible migration on Earth, and the determined scientist who spent 40 years trying to discover exactly where the butterflies mysteriously disappeared to when they flew south for winter.

### Rocky Mountain Express

Rocky Mountain Express propels audiences on a steam train journey through the breathtaking vistas of the Canadian Rockies, revealing along the way the heroic human adventure and epic engineering involved in building a nearly impossible transcontinental railway. This beautiful film — shot entirely with IMAX® 15/70 film cameras — brings alive the magic and drama of the steam age for audiences of all ages.
