BLUEPRINT AND DRAWING REPRODUCTION POLICY

The duplication of drawings, such as Ford Engineering drawings or Greenfield Village building plans, will be handled in the same manner as a request for photographic images.

Anyone requesting copies of drawings will be asked to complete a **Photographic Order/Letter of Agreement – Ford Parts Drawings and Releases** or a **Request for Photocopies and Use Agreement – Ford Parts Drawings and Releases**. There are two types of uses: personal research and commercial use.

Personal use indicates that the drawings will be used solely for private study, scholarship or research.

Commercial use indicates that the drawings are to be used to develop commercial products or used in publications. The Henry Ford is not part of the Ford Motor Company, and cannot confer the rights to manufacture reproduction Ford parts for sale. Ford Motor Company’s contact for reproduction parts licensing is:

Reproduction: Parts Drawings and Parts Releases (records of change) can be reproduced in two formats: Photocopies from a microfilm reader printer located in the Research Center Reading Room, or Digital Files delivered on a CD-ROM.

Photocopying: (self-service and on-site only) Because of the 70mm format, a complete photocopied drawing requires multiple sheets which then have to be pieced together to show the entire drawing. The research center does not provide a microfilm photocopy service for off-site researchers.

Digital Files: Will be reproduced by the Research Center Staff. Available to both on-site and off-site researchers. Please allow two weeks for delivery.

REPRODUCTION AND USE FEES

Effective 3/10/15. Prices subject to change without notice.

See **Order Form and Use Agreement – Self-Service, On-Site Photocopies Only** for other formats.

Parts Drawings (digital files on CD)	Parts Releases (digital files on CD)
\$30.00 per drawing	\$15.00 per release #

TURN-AROUND TIME: The Research Center always completes each order as quickly as possible, please allow 10 working days from the receipt of the completed order form and payment to the shipment of print and digital file duplication orders. Large and/or special orders may require more time for completion.

EXPEDITED SERVICE: 5-day turn-around time is available at an increase of 50 % of the standard service.
