

Detroit

Maker Faire®

Parking & Offsite Shuttle Map

Parking & Drop-off

Attendants will be on duty to direct guests to various Ford Motor Company lots off Oakwood Boulevard. Both lots are directly across from and next to Henry Ford Museum (visit www.thehenryford.org/events/makerFaire.aspx for parking maps). After you have parked, follow the signs to one of the entrances. Parking is free of charge Maker Faire weekend only. Expanded parking for the physically challenged is located near the IMAX® Theatre entrance; see map for other locations. Visitor drop-off areas are located near the Henry Ford Museum Clocktower and Greenfield Village® entrances. Attendants will be present to assist, but drop-off time is limited. Vehicles left unattended in drop-off and no-parking areas will be towed.

Shuttle

Please check MakerFaireDetroit.com for parking information, directions and shuttle information.
