

## ★ PARTICIPANT PARKING NOTICE ★

Participant Parking in Eagle Tavern Parking Lot is limited and when the lot is FULL, participants will need to park in the Employee Parking Lot behind Lovett Hall.

You can access Greenfield Village by foot via the Service Road that runs behind Firestone Farm or through Lovett Hall.

Vehicles parked in NON-APPROVED parking areas in the Eagle Tavern parking lot will be towed. The parking lot is designed for access of Emergency Vehicles at full capacity only. THIS INCLUDES HANDI-CAP PARKING AREAS.

The distance from the Employee Parking lot is less than or equal to some of the camps' distance from Eagle Tavern parking lot. And, it is much closer than the old "Back 40" participant parking area used prior to 2003.

Artillery and Cavalry trucks, trailers and vehicles can park along the dirt road behind the Green Storage Shed as they have done for the past several years.

The Parking area near Martha-Mary Chapel is  
**RESERVED** for the exhibitors and presenters set up in  
the Village Pavilion.

Thank you for your cooperation.
