## Celebrate the spirit of the season with 200 years of American holiday traditions.

Welcome to the most festive time of the year in Greenfield Village. Step through the gate and immerse yourself in more than 200 years of American Christmases.

There's music galore, from brass bands and choirs to the enchanting tinkle of hammered dulcimers. There are horse-drawn wagons, Model Ts and ice skating, too. (Forgot your skates? Don't fret. We'll lend you a pair of ours.) There's street after lantern-lit street as well, lined with historic homes and shops decked out in their holiday finery. Also, if you've been very, very good this year, you might even run into Santa and his reindeer holding court at the Robert Frost Home. There's scrumptious holiday food, too, and dozens of picturesque photo opportunities just waiting for you and your camera.

There's so much happening, in fact, that we've created this colorful and fact-filled map to help you plan your way through the festivities. So open up the map and prepare yourself for the sights, sounds and tastes of America's favorite Christmas — Holiday Nights in Greenfield Village.
