Jerusalem

Filmed for the first time in IMAX® 15/70 for the Giant Screen, Jerusalem immerses audiences in one of the world's most beloved cities. Discover why this tiny piece of land is sacred to three major religions through the stories of Jewish, Christian and Muslim families who call Jerusalem home.

D-DAY 3D: Normandy 1944

D-DAY 3D: Normandy 1944 is a Giant Screen documentary produced entirely in 3D that provides a new, penetrating look at this moment in history in a unique manner to both teach and remind audiences of the largest-ever Allied operation and its lasting effect on the world.

Penguins 3D

Narrated by David Attenborough, Penguins 3D celebrates the destiny of a very special King Penguin, who returns to his birthplace in the sub-Antarctic. Somehow our hero must earn his place among the island inhabitants and fulfill his destiny by finding a mate and raising a family.

Rocky Mountain Express

Rocky Mountain Express propels audiences on a steam train journey through the breathtaking vistas of the Canadian Rockies, revealing along the way the heroic human adventure and epic engineering involved in building a nearly impossible transcontinental railway. This beautiful film — shot entirely with IMAX® 15/70 film cameras — brings alive the magic and drama of the steam age for audiences of all ages.

Flight of the Butterflies 3D

Flight of the Butterflies 3D is an interconnected scientific adventure story that spans not only thousands of miles but generations. It's about the remarkable monarch butterfly migration, the most incredible migration on Earth, and the determined scientist who spent 40 years trying to discover exactly where the butterflies mysteriously disappeared to when they flew south for winter.
